

Interview Summary

In an applicant initiated personal interview on November 4, 2008 with the applicant's representatives, Stanley Ference and Andrew Gabriel the following arguments were presented with regards to claims 1-43 of the present application discussing the prior art Chaiken et al. (U.S. Patent No. 6,587,966) in view of Cantrill (U.S. Patent No. 6,523,141).

Discussed rejections of record regarding the claimed limitations with respect to prior art of Chaiken et al. (U.S. Patent No. 6,587,966) in view of Cantrill (U.S. Patent No. 6,523,141). No agreement was reached.
